

## SUNDAY MOVIE QUESTION MAY BE VOTED UPON

Gettysburg voters may be given an opportunity at next November's election to express their preference for or against Sunday movies.

A petition is being circulated in town for signers to a Sunday movie referendum here. It was reported today that 138 voters have signed the petition thus far. The law requires 750 signers which is equivalent to 20 per cent of the largest vote cast at the last general election.

The petition asks that the following question be placed on the ballot in Gettysburg for next November 8: "Do you favor the conducting, staging, operating and exhibiting of motion pictures, regardless of whether an admission charge is made or incidental thereto, or whether labor or business is necessary to conduct, stage, operate or exhibit the same after 2 o'clock post meridian, or Sunday?"

**Goes To Council**

If the required number of signers are secured the petition will then be presented to the borough council. The petition must be presented to council at least 60 days before the general election. Council in turn, will present it to the county commissioners. The latter, as the county election board, will then place the petition on the November ballot. Then it will be up to the voters to decide whether or not Sunday movies will be shown in Gettysburg.

The last time the question was presented to a vote here was in 1935. It was rejected by a vote of 1977 to 762.

## CLARK MAY BE CONFIRMED AS JUSTICE TODAY

Washington, Aug. 18 (AP)—Barring unexpected developments, the Senate today will confirm Attorney General Tom C. Clark as the 86th individual to sit on the United States Supreme Court.

Clark's nomination by President Truman comes before the senators for three and one half hours' debate before a scheduled vote at 2:30 p. m. Eastern Standard Time.

As soon as it has acted on Clark, the Senate is expected to approve Mr. Truman's nomination of Senator J. Howard McGrath of Rhode Island, the Democratic national chairman, to succeed Clark as Attorney General.

**Some Opposition**

Clark's appointment to fill the vacancy left by the death of Justice Frank Murphy is expected to be opposed by Senators Ferguson (R-Mich.) and Donnell (R-Mo.).

Senator Connally, Democrat of Clark's native state of Texas, and Senator Langer (R-N.D.) will speak for the nomination.

Ferguson told reporters he intends to discuss at length the actions of the Senate judiciary committee in reporting out Clark's nomination without calling the Attorney General for testimony. Democrats pointed out that in all the history of high court nominations only Associate Justice Felix Frankfurter testified on his own appointment and he appeared at his own request.

Donnell said his opposition to the committee action did not necessarily mean he would vote against Clark's confirmation.

**Cite Fraud Vote Case**

Other senators pointed out he had made the motion in committee to summon Clark for testimony. The committee approved 9 to 2, a substitute motion by Langer to approve the nomination.

Ferguson said he may discuss what he has called Clark's failure to prosecute Kansas City vote fraud cases two years ago. Senator Kern (R-Mo.) demanded an investigation of Clark at that time but his proposal never was brought to a vote.

If confirmed as expected, Clark, a 49-year-old Texan who has served as Attorney General since June 29, 1945, is expected to take the oath of office within the week. He will become President Truman's third appointee and eighth Democratic member of the nine-man high court. All members of the court either were appointed by President Roosevelt or Mr. Truman.

**Fractures Toe**

John Hippensteel, 26, Hanover R. 3, an employee of the Bethlehem Steel company quarry, received a compound fracture of the second toe of his left foot and lacerations of the foot when it was struck by a "jack-hammer," Monday. He received treatment at the Warner hospital.

## Lewis Spahr Breaks His Leg Below Knee

Lewis Spahr, 168 York street, was reported recovering today at his home from a fracture of the right leg below the knee.

Mr. Spahr was struck by an automobile about a year ago, suffering a fracture of the left leg below the knee and a fracture of the right hip. He spent nearly a year in the hospital recuperating until his discharge August 4. Upon his return to his home he fell and fractured a bone in his right leg. He was removed to the hospital, the injured leg was placed in a cast and he was permitted to return to his home.

## Littlestown Sportsmen Oppose Doe Season Here

The Littlestown Fish and Game Association at its monthly meeting, held Wednesday evening at the farm in Germany township went on record as opposing the doe season in Adams county this year. A petition will be circulated to get the necessary number of signatures to have the county closed to doe hunting. This committee consists of W. E. Stites, Kenneth Olinger, and Millard Basehoar.

Some of the members of the association favored closing the farm this year to hunting and using it as a game refuge. After a lengthy discussion, it was decided to keep the farm open for hunting this season.

Ten dozen rabbits will be purchased by the club for re-stocking this year. It was stated that the various clubs of the county will order rabbits collectively through the Adams County Sportsmen's Association. They will be ordered from L. C. Miller, Kansas City, Mo., and will be trucked here instead of coming by freight as in previous years. It was stated that the trucking will insure better rabbits.

**Turn Electricity On**

This meeting, which was attended by approximately 100 members, was in charge of the president, Dr. Joseph R. Riden, and G. Richard Knipple presented the secretary's report. The electricity was turned on for the first time on Wednesday night, giving light not only in the club house, which is still under construction, but also in the picnic grove. Prior to the meeting a number of the members enjoyed horse-shoes and engaged in target practice.

It was announced that members who wish to subscribe to the "Pennsylvania Game News" published by the Pennsylvania Game Commission are to contact G. Richard Knipple, secretary, within the next few days. Subscription price is \$1 per year; \$1.50 for two years; and \$2 for three years.

Refreshments consisting of ice cream, chocolate milk and pretzels were served by a committee consisting of Lawrence Crouse, William Wherley and Ernest R. Sentz.

The next meeting will be in the form of a corn bake and will again be held at the farm, with the date to be announced later. Committee to arrange for the corn bake in (Please Turn to Page 2)

## School Principals Will Meet Monday

Supervising principals of the county's joint school systems have been invited to attend the regular meeting of the Adams county school board to be held Monday evening at 8 o'clock in the office of the county superintendent of schools in the court house.

Superintendent J. Floyd Slaybaugh said that the supervising principals, or their representatives, have been asked to bring with them a complete list of their teacher personnel for the coming year, and have been asked to join in a discussion on the new "School Bus Stop Law." A report on grade pupils scheduled to attend the State Police Rodeo at Hershey September 9 will be presented by the supervising principals at the session.

**CLUB REUNION SATURDAY**

The Irving College club will hold its annual reunion Saturday at Allenberry, Pa. There will be a luncheon meeting at noon. Mrs. H. C. Michael, Springs avenue, will give the invocation. Mrs. Henry M. Scharf is secretary. Mrs. George Thrush, Springs avenue, is also a member of the club.

**ATTEND EDUCATORS' SEMINAR**

## BANK'S FLOWER SHOW SET FOR SEPTEMBER 17

The Gettysburg National bank has announced complete plans for its annual flower show to be held at the bank September 17. The show is limited to amateurs.

Cash prizes have been offered for first, second and third prize winners in 10 divisions of the show. Entries are limited to one by each exhibitor in each class with the exception of the miniature bouquets where two per person will be permitted. The exhibitors must provide their own containers and arrange their own exhibits. The entries will be judged on quality of bloom, foliage, arrangement and type of container as to balance. Judges have suggested that flowers cut the evening previous to the show and kept in water overnight will hold up better than those cut in the morning.

**List of Awards**

The list of prizes follows:

## Accuses Vaughan And Maragon

Joseph T. Elvove, assistant director, sugar branch, Agriculture Department, holds samples of cane products as he testifies before Senate Investigating Committee in Washington during "five per centers" probe. He said both Maj. Gen. Harry H. Vaughan, Presidential aide, and John Maragon, prominent figure in case, approached him repeatedly in interests of a Perth Amboy, N. Y., firm when that firm was in difficulties over war-time regulations.

## URGES SCHOOLS TO TREAT WELLS

County Sanitary Officer William I. Shields today urged county school boards to treat wells that have been dormant during the summer.

Pointing out that the school term will begin in a little over two weeks, Shields said the treatment should be given before the youngsters return to school and begin using the water once again.

He recommended the use of a 12-ounce can of chloride of lime mixed in a clean bucket with enough water to form a paste. This paste should be stirred into one gallon of water. The mixing should be thorough, he warned, and should be done in the open air outside of buildings.

The mixture of water and chloride of lime should be poured into the well and permitted to remain there for about 36 hours. Then generous amounts of water should be pumped out of the well each day until the odor of chlorine has disappeared from the water. When the odor is gone the water is safe to drink if all causes of contamination have been removed.

He also urged the school boards to make necessary alterations to school buildings and grounds and to have poisonous weeds removed before the schools begin September 7.

## Quarterly Meeting Of Friends Sunday

The Warrington quarterly meeting of the Society of Friends will be held at Menallen Friends meeting house near Flora Dale, Sunday morning at 11 o'clock. The afternoon session will be at 2 p. m. There will be an address by Frederick Elmon Benton, of Mt. Holly, New Jersey, who has recently returned from Egypt and Arabia where he fulfilled a government assignment as finance officer of the Friends' relief work in Palestine. His subject will be "Friends' Program in Palestine." The regular session of Quarterly Meeting will follow the address. The public is invited to attend.

## President Asks Nation To Delay Judgment On Vaughan

Washington, Aug. 18 (AP)—President Truman today asked the country to "suspend judgment" on Maj. Gen. Harry H. Vaughan until after his army aide testifies before the Senate five percenters inquiry.

Mr. Truman, at a news conference, directed his request particularly to reporters and editors.

He was sharply critical of what he called leaks from the committee and what he described as a tendency to build up the most critical testimony against Vaughan at closed hearings.

Mr. Truman made it clear at the outset that he did not intend to answer any questions concerning the inquiry.

Reporters thus were unable to ask him about a Republican demand, that he oust Vaughan as coordinator of Veterans Affairs. Senator McCarthy (R-Wis.) voiced the demand that Mr. Truman fire Vaughan from the veterans affair post.

McCarthy added that as a Republican Senator he does not feel he has the right to suggest that Vaughan be ousted from his job as

## GOVERNOR OF ROTARY GROUP TO SPEAK HERE

The Rev. William T. Swaim, Jr., governor of the 26th district of Rotary International, will be the speaker Monday evening at the regular meeting of the Gettysburg Rotary club, to be held at the Hotel Gettysburg at 6 o'clock.

During his official visit here Rev. Mr. Swaim will confer with William G. Weaver, president of the local Rotary club and with other officers and committee chairmen of the club on club administration and Rotary service activities.

Swaim is executive secretary of the Presbyterian homes of central Pennsylvania at Newville and Carlisle and resides at Mount Holly Springs. He is also minister of the Monaghan Presbyterian church of Dillsburg and is a member of the Rotary club of Carlisle.

Swaim is expected to speak on the general objectives of Rotary—developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among the peoples of the world.

He is also scheduled to outline the growth of Rotary throughout the world. Last year the organization established 347 new Rotary clubs in 37 countries of North, South and Central America, Europe, Asia, Africa and the islands of the Pacific.

## Former Flora Dale Boy Dies Of Polio

Word has been received here of the death of Jon Kepler Hawkins, 18, who died August 12 from polio in a Washington, D. C. hospital.

Hawkins was a son of Mr. and Mrs. Paul M. Hawkins, Berkeley Springs, W. Va.

The Hawkins family formerly resided at Flora Dale when Mr. Hawkins was manager of the American Fruit Growers' orchard properties in upper Adams county.

## Capt. Longanecker Is At Wac Reserve Camp

Miss Reidia Longanecker, assistant executive secretary of the Adams County chapter of the Red Cross, is among 97 women reservists attending the second encampment of the Women's Army Corps Reserve Training camp at Camp Lee, Va.

The WAC Reserves are undergoing a two-week training period which will include a review of basic military subjects and procedures, new army methods introduced by unification of the armed forces and a study of regulations pertaining to the Reserve and Regular Army.

Captain Longanecker served in the army from December, 1942, to January, 1947. During the latter months of her service she was assigned to the ships complement of army transports returning WACS and war brides to the United States. Her last assignment before discharge was at Walter Reed hospital in Washington, D. C. She is a member of the Casual Detachment, 863rd Replacement Company (Reserve) of Carlisle Barracks.

## Lafayette Award Honors H. M. Black

Announcement has been made of the establishment of the first prize in poetry at Lafayette college, Easton, honoring the grandson of a former president of Gettysburg college.

The prize has been established in memory of Harvey McKnight Black, a Lafayette alumnus, by a gift of \$2,000 from his mother, Mrs. Luther Scott Black. The income from the fund will be used for an annual prize to be given to the student who submits the finest poem or group of poems. H. McKnight Black died in 1931 at the age of 33. One of his best known poems is "Machinery" and several lines from that poem are carved on the Ellen Phillips Samuels memorial in Fairmount Park, Philadelphia.

Mrs. Black, donor of the prize, is the younger daughter of Dr. H. W. McKnight, president of Gettysburg college from 1884 to 1904. She is a frequent visitor to Gettysburg.

On Sunday evening, August 28, the band will present a concert on the high school athletic field at 7:30 o'clock. Immediately following the National Park office will present its regular Sunday evening educational pictures on the field instead of on East Cemetery hill as has been the custom.

## Here And There News Collected At Random

**For many years** The Gettysburg Times has been publishing an editorial page feature entitled "Today's Talk" by George Matthew Adams. It has proven a most popular feature and has won a large reader-following.

Those reader-friends of "Today's Talk" will be pleased to know that Mr. Adams has selected 250 of the choicest "Talks" and published them in book form called "Better Than Gold." He selected his title from a Lincoln quotation: "Gold is good in its places, but living, brave, patriotic men are Better Than Gold." Lincoln said this on November 10, 1864.

**George Matthew Adams** has been writing his daily newspaper feature for 30 years. It is published in hundreds of newspapers in this country and Canada. It has brought laughter, consolation, diversion, happiness and high hope to countless readers. These short essays, brightened by anecdotes of the great and the obscure, range familiarly through the fields of literature, natural history, philosophy, social comment and everyday life.

His book, published by Duell, Sloan & Pearce, Inc., New York city, is available at bookstores.

**Mr. Adams was born in** Saline, Michigan, and graduated from Ottawa University in Kansas. He organized his own newspaper syndicate in 1907. He is a noted collector of etchings and first editions. His "happiest hobby" is the enjoyment of nature, which he pursues during the summer months at his Nova Scotia camp.

**Pennsylvania is expected to** harvest 2,194,000 bushels of peaches this year, according to the U. S. Department of Agriculture. This is an increase of 12,000 bushels over the 1948 harvest. (Please Turn to Page 2)

## Boy Breaks Wrist As Branch Snaps

Harold Yingling, 14-year-old son of Mrs. Phyllis Yingling, 133 East Water street, suffered a fracture of the left wrist Tuesday afternoon at 3 o'clock when he fell from a truck on North Stratton street.

Yingling was with a group of Boy Scouts, members of Troop 79, who had been collecting paper throughout the day and was one of nine boys on the back of the truck with the paper when it stopped in front of the home of Jay Schmitt, North Stratton street.

Other members of the troop said the Yingling youngster grabbed an overhanging limb of a tree just as the truck started. The limb broke and he fell to the road, breaking the wrist.

Ralph Waldo Sittler, Jr., Hanover street, driver of the truck, and William Dubs, scoutmaster, rushed to the boy's assistance. He was taken to a local doctor and then to the hospital before the group completed their trip to Biglerville to dispose of the paper they had collected.

## 'Junie' Golden, 15, Dies From Wound

Word has been received here of the death August 3 in a San Antonio, Texas, hospital, of Russell (Junie) Golden, Jr., 15-year-old son of Mr. and Mrs. Russell Golden, of Port Arthur, Tex. The boy was wounded in the neck by a gun in the hands of a 13-year-old companion on August 2. The bullet struck Golden's spinal cord and caused his death.

The victim's father formerly resided here and is a brother of Mrs. Blanche McFerrer, Harrisburg road. The Golden boy was well known here and had frequently visited in Gettysburg. Funeral services were held at Port Arthur.

## FOOT INJURED

Ray Custer, 18, Philadelphia, who is spending some time at Camp Nakwakwa, near Arendtsville, was treated at the Warner hospital for contusion of his left instep sustained when the rear left wheel of the camp truck passed over his foot Wednesday.

## FATHER AND SON ESCAPE BLAST, FIRE IN SHED

Ralph H. Sanders, Mt. Pleasant township farmer, and his son, James Sanders, aged ten, narrowly escaped death or serious injury this morning when materials being used to treat barley exploded and set fire to a shed in which both were working.

Sanders had crawled into a barley bin located in a shed on his property and was placing the liquid material on the barley. The solid wooden bin extends from floor to ceiling and is completely enclosed. Two small doors providing an opening into the bin were open. Sanders was on top of the barley in a two-foot space between the top of the barley and the roof and extending about six feet to the rear and side.

**Faced Wall Of Flame**

His son was holding an extension light at one of the doors so his father could see while he worked.

Sanders says that suddenly there was an explosion, apparently from contact between fumes coming up from the barley treatment and the hot light globe. James Sanders was hurled about two feet against some iron kettles and his father found a wall of flames between him and the bin door where the boy had been standing. Sanders backed hurriedly out of the other door, pulled his son out of the building, shut the doors to the bin and shed with the hope of smothering the fire and began to play water from a garden hose on the frame shed.

**Burned Self Out**

Two drums of gasoline were stored inside the shed about three feet from the blazing barley.

James Sanders meantime got on his bicycle and hurried to a neighbor's home to call the Gettysburg fire company.

When the firemen arrived they opened the shed door and the doors to the bins. They found the wood around the doors scorched and burned, but the fire had apparently burned itself out in the enclosed, air-tight space.

The barley for the most part was uninjured with only a small amount near the doors being scorched.

Both father and son were unhurt.

## STEEL PROFITS GO FOR PLANTS

New York, Aug. 18 (AP)—Jones and Laughlin, the nation's fourth largest steel company, told presidential fact-finders today that the bulk of its profits must go to improvement of its plants.

Ben Moreell, chairman of the board and president of the corporation, declared this was the only way that the job security of the company's employees could be assured.

Moreell, a retired navy admiral, said that Jones and Laughlin could not meet the wage demands of the CIO steelworkers union.

"A worker's job at J&L is no more secure than the soundness of the company itself," he said.

"We believe that at this time the first call on available money is to keep our company productive and competitive."

Moreell was the opening witness for the steel companies as they began the sixth day of their case before the three-man board named by President Truman last month to try to bring a settlement which would avert a nationwide steel strike.

The companies will complete their case next Monday and the union's rebuttal is expected to take most of the rest of next week.

Angelica, N. Y., Aug. 18 (AP)—Three persons burned to death early today when fire destroyed a two-story farmhouse in the hamlet of Pink Hollow, 12 miles north of here.

Coroner George W. Batt identified the dead as:

Harrah Jones, 76; his son, Milford, 52, and his granddaughter, Judy Jones, 7.

Burned and injured critically was Judy's mother, Mrs. Roderick Jones, 38, who leaped from a second-story window after a futile attempt to save her daughter.

Batt said Mrs. Jones carried Judy through smoke-filled upper rooms toward the window, when the frightened child broke away and couldn't be found.

The father caught Judy's sister, Patricia, 16, as she leaped from a window. Also rescued were two other children, Timothy, 10, and Sandra, 8. Patricia and Timothy suffered minor injuries.

The fire was believed to have started in the kitchen at about 2 a. m. (EST). Its cause was not immediately determined.

## News Briefs

Harrisburg, Aug. 18 (AP)—Theodore Roosevelt III, state commerce secretary, said today the Pennsylvania Week special train will tour Pennsylvania communities again during the Pennsylvania Week celebration, Oct. 17-24.

The train will leave Harrisburg Monday morning Oct. 17 and circle the state to stop at 27 other communities. This year's tour will take six days instead of the four last year.

Washington, Aug. 18 (AP)—President Truman said today that Secretary of Agriculture Brannan's stumping tour on behalf of his farm plan is being made at the President's request.

A reporter brought up the matter at Mr. Truman's news conference, asking whether the President didn't feel that Brannan should be kept on the job here in Washington.

Mr. Truman replied sharply that Brannan is available at all times and that he is making the speaking tour at his (the President's) suggestion.

## Fighter Planes Collide In Mid-Air

Sag Harbor, N. Y., Aug. 18 (AP)—Two Air Force twin-engine fighter planes collided at 8,000 feet near here today. One man was seen to parachute.

State police said they had an unconfirmed report that two bodies had been recovered near the scene on the north shore of Long Island about 100 miles east of New York City.

Mitchell Field authorities said the all-weather Mustang planes—F82s—carried crews of two men each. They were on a training mission.

Margaret Mitchell, author of the celebrated novel, "Gone With the Wind," died at Henry Grady Memorial Hospital, Atlanta, Ga., August 16. She was struck August 11 by a speeding automobile. Doctors said she had a fractured skull, fractures of the pelvis and other injuries.

## PUSH SCHOOL BUS SERVICE

Harrisburg, Aug. 18 (AP)—The state Revenue Department promises "there will be no effort to interrupt bus service to school children" in Pennsylvania due to school bus laws.

A department spokesman said any present difficulties "will be corrected in a few days" when asked about reports that state policemen currently were under directions not to inspect buses that do not measure up to safety regulations which became fully effective on July 1.

The regulations include requirements for two doors on buses, wire screens on windows, one compartment for driver and children, and at least 13 inches seating space for each child.

The requirements, first imposed by the legislature in 1942, had been suspended in a number of cases during World War II due to inability to get new equipment, but the suspensions finally ended on June 1.

The safety requirements are entirely separate from the new school bus stop law that becomes effective Sept. 1. That law requires all motor traffic to halt at least 10 feet from a school bus loading and unloading on highways outside of built-up areas.

## Mrs. Beck Would Be Eighth For Chair

New York, Aug. 18 (AP)—Fat Martha Beck's conviction today as a lonely hearts murderer—a conviction carrying a mandatory death sentence—places her in line to be the eighth woman to be electrocuted in New York state.

Seven women have gone to the electric chair since that system of execution was inaugurated in New York state in 1891.

All seven were married. The most publicized of the group was Ruth Snyder, executed at Sing Sing prison Jan. 12, 1928, with her alleged paramour, Judd Gray, for the sashweight killing of her husband.

The most recent execution of a woman at Sing Sing was the electrocution Nov. 16, 1944, of Mrs. Helen Fowler, negro, Niagara Falls, N. Y., for the robbery murder of a gasoline station proprietor.

Harrisburg, Aug. 18 (AP)—The Justice Department ruled today public assistance can be granted to children placed in foster homes by courts if the homes measure up to state standards.

The opinion notified the Department of Public Assistance that such help must be restricted to counties whose institution districts meet the minimum standards fixed by the Welfare Department for the care of dependents and neglected children.

On Wednesday afternoon the Senior Girl Scouts of Biglerville had lunch at Allenberry inn and afterwards attended the play, "Arsenic and Old Lace" at the Allenberry playhouse, near Bolling Springs. Scouts included in the group were Barbara Geiselman, Carolyn Dillon, Barbara Lawver, Jean Cleaver, Helen Slaybaugh, Mary Ellen Crawford, Betty Lawver, Dorothy Jane Ehlman, Barbara Yoder and Clara Lou Hildebrand. They were accompanied by their scout leader, Miss Jean Thomas, assistant scout leader, Mrs. P. J. McGlynn, Mrs. Elmer Yoder and daughter, Cecelia, and Mrs. Harry Geiselman.

Mr. and Mrs. Mike Miller, of Harrisburg, spent Sunday with Mr. and Mrs. Charles Myers, of Biglerville.

Mr. and Mrs. L. O. Hildebrand, of Baltimore, spent Tuesday with their daughter-in-law, Mrs. Carl Hildebrand, and family, of Biglerville.

Mr. and Mrs. W. S. Fuqua, Jr., Richmond, Ind., have concluded a visit with Mrs. Fuqua's mother, Mrs. Emma Harper, Arendtsville.

## ARMS MEASURE IS CHALLENGED

Washington, Aug. 18 (AP)—The \$1,450,000 arms-for-Europe program today faced its biggest challenge in the House—a strong move to cut it almost in half.

With the leadership driving for a decision by the end of the day, the real test was one on an amendment by Rep. Richards (D-S. C.) to halve the \$1,600,000,000 allotment proposed for western European nations. The bill's backers were confident they could defeat the amendment, although they admitted it would not be easy.

"We'll beat it," predicted Rep. Priest (Tenn.), the assistant Democratic leader. "I won't say we'll beat it badly, but we'll beat it. And we'll beat any other major changes that may be proposed."

There is bi-partisan support for the Richards proposal and bi-partisan opposition to it. In effect, it would put a string on the program by not authorizing any expenditures or obligations after next June 30.

The President has asked that the program cover initially a two-year period, with deliveries and obligations to continue until June 30, 1951.

Los Angeles, Aug. 18 (AP)—Plane Maker John K. Northrop, whose contract to build "flying wings" for the Air Force was canceled in favor of the B-36 super bomber, doesn't believe politics had anything to do with it.

## Girl Gnaws Paint; Dies Of Poisoning

Hayattsville, Md., Aug. 18 (AP)—Four-year-old Claude Garver loved to gnaw the paint off furniture. She died Saturday.

The county medical examiner certified her death resulted from lead poisoning.

Claudette's three-year-old sister, Elizabeth, was treated at Children's hospital for the same ailment.

Their parents, Mr. and Mrs. Claude Garver said for the past year the children persisted in chewing the paint from the furniture in their home. Mrs. Garver said Claudette ignored all punishment to gnaw on furniture "just like a little beaver."

Her husband said a doctor had told them it was due to some deficiency in the children's systems. Two other children in the family never have shown any such tendencies, the parents said.

## Orrtanna

Orrtanna — Approximately \$150 was cleared from the festival held recently at the Mt. Carmel U. B. church.

Mr. and Mrs. R. M. King, this place, and their son-in-law and daughter, Mr. and Mrs. John Shultz, and son, Rodney, of Fairfield, recently accompanied Mr. and Mrs. Frank Brown and Mr. and Mrs. William Bonsal, of Philadelphia on an automobile trip to Ocean Grove.

The original study for "The Doctor," one of the world's most famous paintings, hangs in the lobby of the Guthrie Clinic, in Sayre, Pennsylvania.

The painting by the London artist, Sir Samuel Luke Fildes, and familiar to millions, shows the interior of a humble home with the thoughtful doctor seated beside a sick child while the anxious father and mother wait in the background. The bearded, brooding figure of the doctor, seated, chin in hand, has come to symbolize the physician on whose judgment the family depends for health. Many elders recall their first visit to the doctor's office when they were reassured by a glimpse of this painting hanging above the old-fash-

Sir Fildes, who died in 1927 at the age of 83, painted many portraits of royalty, but maintained a deep interest in medicine and medical men. His painting entitled "Casual Ward" was shown at the Philadelphia Exhibition in 1887 and at the Paris Exposition in 1878. Among eight Sir Fildes' portraits exhibited at the Royal Academy over the years, three were of physicians.

The doctor portrayed in the painting was a real person—Sir James Clark, physician to Queen Victoria and noted for his devotion to his patients, rich or poor. When the young English poet, John Keats was in Rome, alone and dying, Dr. Clark discovered Keats' plight and gave sympathetic care to the end. The doctor's unflinching spirit of service led artist Fildes to immortalize on canvas the face of this physician, his friend.

The G. L. Bream garage pushed over three runs in the last of the fourth inning to upset the Texas Lunch 4-1 in the night tilt.

Each team pushed over a run in the third frame and then the league leaders combined some solid hitting with a bit of loose fielding to sew up the decision in the last of the fourth.

## JAPS GO AFTER MORE TITLES

Los Angeles, Aug. 18 (AP)—With two titles sewed up, Japan's world beating swim squad goes after two more national AAU crowns today.

And—ask the 8,000-odd fans who saw last night's amazing performance—what's to stop them?

Hironoshin Furuhashi, who in two short days has stamped himself as one of swimming's immortals, will seek the 400-meter free style title to go with the 1,500 meter diadem he won in record time yesterday.

Furuhashi, after a 30-lap stroke for stroke battle with teammate Shiro Hashizume, won by four yards in 18:29.8 far under the listed world mark of 18:58.8 by T. Amano in 1938. Hashizume swam it in 18:32.6 to make it the fastest two-man marathon in history.

Japan's second winner last night was powerful 190-pound Yoshihiro Hamaguchi, who swam the 200 meters in 2:11, just edging John Blum, of the New Haven Swim club.

The American champions are 18 year old Skippy Browning, of Dallas, Texas, who surprised veterans Miller Anderson and Bruce Harlan in the springboard dive; and the University of Iowa 300-medley relay team of Duane Draves, Bowen Stassforth and Wally Ris.

## Accuse Giants Of Stealing Players

Harrisburg, Aug. 18 (AP)—The New York Giants baseball club was accused today by the Pennsylvania American Legion of signing two boys playing for Legion teams in violation of an agreement.

George Bellis, state Legion activities director, said the boys were recently signed by Nick Shimkopf, a Giant scout. He declined to disclose the players' names.

The Legion official said Shimkopf's action was in violation of an agreement between Major League scouts in Pennsylvania and also violated rules governing the Legion's junior baseball program.

Bellis said all scouts had previously agreed in writing not to approach any players until termination of the Legion's active playing season. Meanwhile in New York, a Giant spokesman said "I know nothing about it. I am sure we have adhered to the rules."

The 23 home runs which won the National League championship for Ralph Kiner in 1946 comprised the lowest winning total since 1926.

## SECOND ARMY PLAYOFFS TO START AUG. 22

For the third consecutive year Carlisle Barracks will be the site of the Second Army Baseball playoffs during the week starting August 22. Ten teams, representing as many Army posts from the seven-state Second Army Area, will compete in a double elimination playoff. The teams scheduled for the playoff are:

Fort Monroe, Va., Fort Knox, Ky., Fort Miles, Del., Fort Eustis, Va., Fort Story, Va., Army Chemical Center, Md., Camp Lee, Va., Valley Forge General Hospital, Pa., New Cumberland General Depot, Pa., Carlisle Barracks, Pa.

The playoff will start on Monday, August 22, with the finals being held on Saturday afternoon, August 27. There will be games each day of the week at 10:30 a. m., 1:30 p. m. and 4:30 p. m. A feature of the opening day will be the Second Army band which will play at special opening day ceremonies prior to the evening game on Monday. After the game the band will play a concert consisting of several popular, classical and semi-classical numbers.

New Cumberland General Depot, who won last year's championship, will be the defending champions. The teams will compete for the Commanding General's Trophy, a 20 inch high gold bowl, custody of which goes to the winning team for one year. The trophy will become the permanent possession of any post who wins it three times. There will be a special trophy for the permanent possession of the winning team, an award for the runner-up and two individual awards. One of these will be awarded to the most valuable player in the tournament and the other to the serviceman demonstrating the highest degree of good sportsmanship throughout the contest.

One of the leading contenders in the playoff will be the Carlisle Barracks "Pioneers" who, throughout local play this season, have turned in a remarkable record of 43 wins out of 46 games played. With players representing all branches of the Armed Forces, the Pioneers claim to be the most unified team in service competition.

## 40 G.H.S. GRID HOPEFULS OPEN DRILLS TODAY

A group of 40 Gettysburg high school football candidates started drills this morning in preparation for the season which opens September 9 when Delone Catholic high will be met here.

Only five lettermen are included in the group, Kenny Biesecker and Paul Miller, backs; Bill Bucher, center; Charles Kitzmiller and Harold Cleveland linemen.

All indications point to the Warriors having a comparatively light team which will lack experience. However, the team should possess a fair amount of speed.

**Mamaroneck, N. Y., Aug. 18 (AP)—**The cream of this country's and Britain's amateur golfers were slated for final tuneups over the Winged Foot course today in preparation for their clash tomorrow and Saturday in the Walker cup matches.

Expert observers, including Claude Harmon, the Winged Foot pro, who have watched the two teams practice in recent days, are predicting one of the closest matches since the International Trophy first was played for in 1922.

Lead In League**

The Conewago VFW baseball team has finally displaced the Hanover Moose as the leaders of the Adams County Baseball league as a result of a 2-1 triumph gained at York Springs Tuesday evening. The victory moved the vets half game ahead of the Moose who had led the league from the opening of the campaign.

Conewago will play at New Oxford Friday evening to make up a postponed contest and will finish its regular season at Orrtanna Saturday afternoon.

Pitcher J. Traverser once allowed 24 home runs in one game to hold the major league record in that dubious department.

In addition to Jim Barnes who won the first PGA title, Bob Hamilton also won the championship in his first attempt in 1944.

## YANKS, RED SOX WIN AS INDIANS BOW TO BROWNS

(By The Associated Press)  
(Associated Press Sports Writer)  
Cleveland's baseball crown was slightly askew today, needing only a couple of more nudges to knock it off completely.

It is becoming more and more evident that unless Bob Feller and Bob Lemon get some much needed pitching help, that world championship flag won't be waving much longer at the Indians' Municipal stadium.

Of the highly heralded big five, only Feller and Lemon have been coming through of late. Gene Bearden, of whom much was expected after his sensational freshman season, has been a flop. Steve Gromek, who flashed so brilliantly in the World series, has done nothing this season. Gromek has won four games this season, and Bearden seven.

**May Be Fatal Blow**  
Early Wynn, who took up the slack during June and July, has been getting his bumps of late. The relief brigade, with one or two exceptions, hasn't been coming through. Of Cleveland's last nine victories, Feller and Lemon have won six.

The Indians went into battle without Feller and Lemon yesterday and were nearly scalped by the lowly St. Louis Browns. They took a double defeat that might prove to be the blow that knocked them out of the pennant race. The Browns won by scores of 10-6 and 5-2.

The twin setbacks dumped the Tribe into third place a full five games behind the pace-setting New York Yankees.

Faced with the prospect of seeing their lead over the Boston Red Sox diminish to only two and a half games, the Yankees rallied to score two runs in the bottom of the ninth to nip the Washington Senators, 4-3. The Red Sox overcame the Philadelphia Athletics, 5-1, in 10 innings.

**Cards Take Lead**  
In the nip-and-tuck National league race, the St. Louis Cardinals took over first place from the Brooklyn Dodgers by the slender margin of a half game.

The Cards outlasted the Cincinnati Reds, 4-3, in a 13-inning night thriller while the Dodgers bowed to the Philadelphia Phillies, 11-7, in the afternoon. A single by relief pitcher Freddie Martin scored Enos Slaughter from second with the payoff Cardinal run. A five-run eighth inning uprising snapped a 5-5 tie and gave the Phils their second straight triumph over the Brooks.

In other games the Chicago White Sox shut out the Detroit Tigers, 1-0, and the Boston Braves walloped the New York Giants, 13-4. Rain washed out the scheduled game between Pittsburgh and the Chicago Cubs.

**Satchel Paige Loses**  
Eight Cleveland pitchers tried in vain to stop the suddenly aroused Browns, five of them seeing service in the opener. Wynn was batted out in the first inning, but the first game defeat fell upon Sam Zolack. Satchel Paige had a 2-1 lead going into the seventh, but was shelved for three runs to be charged with his sixth defeat.

Gerry Priddy was the batting leader of the Browns. He drove in four runs with a single and triple in the first game, and batted in two more with a single and homer in the nightcap.

The Yankees won another of those last ditch battles for which they're becoming famous. Trailing 3-2 in the ninth, the Yankees socked Ray Scarborough for four singles to win. A wild throw by Scarborough on Phil Rizzuto's bunt brought in the tying run. Gene Woodling then singled in Charley Keller with the winning tally. Vic Raschi went the distance for his 16th triumph.

**Eastern League**  
(By The Associated Press)  
Utica's "Sad Sox" aren't going any place in the Eastern League but they're still capable of pushing some of the first division clubs around.

The Sox are hopelessly mired in last place, 36 games back of the pace-setting Albany Senators. They have a faculty, however, of coming up off the floor every now and then.

They tagged a 6-1 defeat on the Wilkes-Barre Indians last night. That, plus Binghamton's 8-4 verdict over Scranton's Miners, threw the Indians and the Miners into a tie for second place.

Elmira's Pioneers delayed Hartford's ascension to the first division by handing the Chiefs an 8-5 setback. Albany officially eliminated Williamsport from pennant contention by beating the seventh-place Tigers, 7-4.

Joe Cronin as manager of the Red Sox, pinch hit five home runs during the 1943 season for an American League record.

of Mr. and Mrs. W. M. Herd,  
of Woodbury, New Jersey, were  
married Thursday evening at 7  
o'clock in the Lutheran church at  
Woodbury, by the Rev. Harold  
Mumper.

Mr. and Mrs. John E. McDonnell  
and Mr. and Mrs. Luther McDonnell  
went by motor to Woodbury  
to witness the ceremony.

College Student Is Married: Alton  
Motter, a student at Gettysburg col-  
lege, and son of Mr. and Mrs. George  
E. Motter, of near Littletown, and  
Miss Lottie Yealy, daughter of Mr.  
and Mrs. Jacob A. Yealy, of Union  
township, were married Wednesday  
morning at 6 o'clock by Rev. J. T.  
Hummer.

The ceremony was performed in  
St. John's Lutheran church, near  
Littletown. The church was filled  
to capacity for the ceremony.

Ross Sheely Weds: H. Ross  
Sheely, son of Mr. and Mrs. Harry  
A. Sheely, Stevens street, was mar-  
ried Saturday morning at 11 o'clock  
to Miss Helen Claire McCall, daugh-  
ter of Mr. and Mrs. Alvin C. Mc-  
Call, of Johnstown.

The ceremony took place in the  
United Presbyterian church at  
Johnstown with the pastor, the Rev.  
Dr. Rankin, officiating.

Mr. and Mrs. Sheely will reside at  
Trevorton.

Gardners Girl Weds Wednesday:  
A home wedding was solemnized at  
the residence of Mr. and Mrs. Guy  
E. Bream, near Gardners, Wednes-  
day evening, August 14, when their  
daughter, Miss Verna Miriam  
Bream, and Shelton R. Poole, of  
Jackson Springs, North Carolina,  
were united in marriage by the Rev.  
O. D. Coble, of Benderville.

Mr. and Mrs. Poole will reside in  
Roanoke, Virginia.

County Girl Weds Progress Man:  
Mr. and Mrs. O. B. Sharetts, Gettysburg  
R. D., have announced the mar-  
riage of their daughter, Mar-  
guerite, to Charles Luther Brady,  
of Progress, Pa. The marriage took  
place August 12.

Service Clubs Picnic Monday: A  
joint picnic of Gettysburg's two  
civic clubs, Rotary and Lions, will  
be held at the Ardenville Union  
park Monday. The picnic will be  
held in the afternoon and includes  
the families of the members of the  
two clubs.

A baseball game between the two  
clubs will feature the program.

Gardners Girl Weds Friday: Miss  
Marion K. Peters, daughter of Mrs.  
Earl Peters, of Gardners, and  
Charles A. Irvin, of Chester, were  
married Friday morning at 11 o'clock  
by the Rev. Dr. E. R. Heckman, of  
the Allison Memorial Methodist  
church, Carlisle. John Peters and  
Miss Eleanor Peters were the at-  
tendants.

Mr. Irvin is employed in Chester,  
where the newlyweds will reside  
after a brief honeymoon.

## Today's Talk

By GEORGE MATTHEW ADAMS

THOSE FEARS OF YOURS  
You ask me how you are to rid  
yourself of fears? This way: Give  
them the beady eye and walk right  
past them! They will stare for a  
moment or so because they are not  
used to such a reception, and they  
will disappear into nothingness—  
like all ghosts do. And that is all fear  
is—a ghost!

I love to read from a little book  
that the late Henry Ford gave me  
many years ago, entitled "The Com-  
plete Sayings of Jesus." And time  
and again I come across the words  
"fear not" and "be not afraid." You  
will recall how He quieted the waters  
in a storm, when He was with some  
fishermen who suddenly became  
afraid He brought peace and quiet  
to the troubled, the sick, and to those  
full of their petty worries. Backed  
by faith how wonderful these words  
—fear not—and be not afraid.

Expect things to be right in the  
end—and they usually are just that.  
Most of our fears are imaginary. It  
was Thoreau who long ago gave ut-  
terance to that phrase so emphasized  
by the late President Roosevelt that  
"the greatest thing to fear is fear  
itself." Thoreau lived close to Nature,  
and looked deep into her secrets and  
revealed wisdom. He said an endless  
number of great sayings. "The earth,"  
he said, "moves round the sun with  
inconceivable rapidity, and yet the  
surface of the lake is not ruffled by it."

With trouble in their midst, con-  
fusion on all sides, and with an en-  
dless number of people predicting this  
and that calamity, the great char-  
acter remains calm and untroubled,  
just like the lake that Thoreau wrote  
about. Every age has had these stal-  
warts that have guided humanity  
forward and given light where dark-  
ness was, and hope where fear was  
all about.

If you get rid of these fears of  
yours, it will amaze you how beau-  
tiful this world is, and how fortu-  
nate you are to be in it, and to be-  
come of it a useful part. We are  
of little use to ourselves when we  
are filled with fears. They are worse than  
termites in a home. They not only  
work while you sleep, but they keep  
you from sleeping. Why then do you  
fear?

Tomorrow Mr. Adams will talk on  
the subject: "New to the New."

## Just Folks

PROGRESS  
Time was that candle light  
seemed best,  
But there were old wise men  
who said:  
When the sun slipped down the  
west  
God meant men should go to  
bed.

Then 'twas found that wicks  
would burn,  
Fed with oil from bowls of  
glass,  
But by and by men came to learn  
A brighter light was had with  
gas.

Ben Franklin from a stormy sky  
The secret of the lightning  
drew  
And from a kite he dared to fly,  
The bulb of incandescence  
grew.

Be not by graybeards wise  
deceived,  
Remember this: had they been  
right  
Or had old text books been  
believed,  
We'd still be using candle light.

## SECRET DOLLAR CRISIS PAPERS GO TO CABINET

By ARTHUR GAVSHON

London, Aug. 18 (AP) — A secret  
document outlining proposals for  
meeting the world dollar crisis has  
been drawn up by a committee of  
top British financial experts and  
goes before the cabinet for ap-  
proval next week.

If okayed, the four-part document  
will form basic British policy at next  
month's dollar-pound Washington  
conference, when Sir Stafford  
Cripps, British chancellor of the  
exchequer, and Foreign Secretary  
Ernest Bevin meet U. S. Treasury  
Secretary John W. Snyder and Can-  
adian officials.

These officials will discuss the  
unbalanced trade between the U. S.  
dollar and British sterling areas has  
left Britain desperately short of  
dollars.

What Is Included  
Official sources said the four-  
part document comprises:

1—A study of the background  
and causes of the critical unbalance  
between the dollar and sterling  
areas.

2—A review of what each of the  
three governments has done to meet  
and redress that unbalance.

3—A close look at the situation as

it exists now, underlining all the  
implications of a failure to agree on  
a solution.

4—A series of proposals aiming  
broadly at achieving some kind of  
world pattern which would allow a  
free flow of currencies between the  
dollar and non-dollar systems.

Coming To U. S.

Informants said the British docu-  
ment attempts to prove that the  
dollar crisis is not British or Ameri-  
can, but a global crisis.

Cripps and Bevin will study and  
discuss the brief before the cabinet  
meeting next week.

U. S. Secretary of State Dean  
Acheson also will take part in the  
Washington conference, scheduled  
for September 7.

Part of the British delegation  
sails for the states August 23. It will  
include officials from the treasury,  
board of trade and food ministry.  
Cripps and Bevin sail August 27.

## Offers Yearbooks For Grid Tickets

Washington, Aug. 18 (AP) — "My  
dear colleagues," Rep. Celler (D-  
N. Y.) wrote other House members,  
"I would deeply appreciate the op-  
portunity of exchanging agriculture  
yearbooks or Farmer's Bulletins for  
tickets to the Army-Navy (football)  
game this fall."

Each member of Congress gets a  
quota of football tickets to the game  
and also a quota of farm literature,  
both in demand by constituents.

"In my constituency," Celler wrote,

"the demand for Army-Navy tickets  
is overwhelming, and I am hopeful  
that this offer of exchange may al-  
leviate the problem."

## FALSE TEETH

That Loosen  
Need Not Embarrass

Many wearers of false teeth have suf-  
fered real embarrassment because their  
plate dropped, slipped or wobbled at just  
the wrong time. Do not live in fear of  
this happening to you. Just sprinkle a little  
FASTEETH, the alkaline (non-acid) pow-  
der, on your plates. Holds false teeth  
more firmly so they feel more comfort-  
able. Does not sour. Checks "plate odor"  
(denture breath). Get FASTEETH at any  
drug store.

## BACKACHE, LEG PAINS MAY BE DANGER SIGN

Of Tired Kidneys

When disorder of kidney function permits  
poisonous matter to remain in your blood,  
it may cause nagging backache, rheumatic  
pains, leg pains, loss of pep and energy, get-  
ting up nights, swelling, puffiness under the  
eyes, headaches and dizziness. Frequent or  
scanty passages with smarting and burning  
sometimes shows there is something wrong  
with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's  
Pills, a stimulant diuretic, used successfully  
by millions for over 50 years. Doan's gives  
happy relief and will help the 15 million of

**EXECUTRIX NOTICE**

# BOY, 12, DIES OF BULLET WOUND

Titusville, Pa., Aug. 18 (AP)—State police today investigated the death of a 12-year-old boy, killed by a gun held by his older brother.

The victim was Thomas Gariepy of Centerville, R. 4.

Dr. C. M. Sonne, Crawford county coroner, quoted the boy's brother, Donald, 15, as saying the 22 caliber rifle went off accidentally while he was cleaning it.

The boys had been picking apples near their home shortly before the tragedy, Donald said they took the gun along in case they saw a groundhog.

A post mortem showed the bullet passed through Thomas' liver, one lung and the heart. Despite this,

# PIED PIPER TO ATTRACT DOLLS FROM SOMERSET

Somerset, Pa., Aug. 18 (AP)—This is the day the Pied Piper drives the dolls out of Somerset.

The rag dolls and the fancy dolls are leaving this western Pennsylvania town for a very good purpose. They are going to Europe to gladden the hearts of children who have no toys.

Peggy Reiley, woman's editor of the Somerset American, organized the campaign to collect dolls for Europe. She has more than 1,000 so far and expects 2,000 by the time she sails for Europe to distribute them in September.

A Pied Piper parade to launch a three-day festival of dolls is set for today. Four girls, clad in the traditional flowing garb of the Piper of story book fame, will roam the town.

To Follow Piper  
At the sound of their flutes, the children of Somerset, dressed like dolls, will run from their houses and follow the Piper in a parade to the county court house and thence to the high school auditorium.

The auditorium looks like a toy shop with more than a thousand dolls on display. Each doll bears a tag giving the name of the donor. Also attached to the doll is a postal card to be filled out by the recipient and then mailed to the person who gave the doll.

Dolls have been given by Somerset children and by people in every state of the union and Canada.

# Mrs. Nettie Harner Was 94 On Aug. 4

Mrs. Nettie E. Harner, Fairfield, celebrated her 90th birthday anniversary on August 4.

Mrs. Harner was born near Gettysburg and has been living near Fairfield for 60 years. Her husband, William Harner, died in 1927.

Mrs. Harner has two sisters and one brother living, Mrs. Emma Weikert, Greenmount, 88; Mrs. William P. Weikert, 80, McKnightstown, and Harry A. Weikert, 82, Orrtanna.

She has nine living children, Walter L. York; Charles A. Gettysburg; Mrs. Allen Stull, Taneytown; Mrs. Mae Grushon, Emmitsburg; Laura D. Minnie, Lillie B. Nevin E. and Guy W., all of Fairfield R. D. She also has 10 grandchildren and one great-grandson.

Mrs. Harner, who is a member of the Emmitsburg Reformed church, is in good health and is able to be around.

Pittsburgh, Aug. 18 (AP)—Labor Day will be just that for Pittsburgh's police force who expect a traffic jam to end all traffic jams.

All the city has on tap for the September 4 holiday is a parade by the city's labor unions, a speech by President Truman, and the closing day of the Allegheny county fair.

City Safety Director George Fairley says he expects the tie-up to exceed the traffic snarl that accompanied President Roosevelt's tour of the steel capital in 1944.

# MOVE TO TAKE GERMANY INTO COUNCIL GROWS

By DEWITT MACKENZIE (AP Foreign Affairs Analyst)

The move to make Germany an early member of the Council of Europe—the new brotherhood of old world democracies—is gaining remarkable momentum.

Winston Churchill yesterday again advocated the addition of the defeated country to this 12-nation council which its sponsors hope will develop into a parliament comprising all the European democracies.

Britain's famous war-time prime minister, who led his people in the life and death struggle against German aggression, was speaking before the consultative assembly of the council in the ancient French city of Strasbourg.

Simultaneously in Washington American Secretary of State Dean Acheson expressed himself as favoring the acceptance of the new West German Republic in the council for Europe. He said the United States believes this would be a constructive step in the integration of a peaceful, freedom loving Germany into the community of Western Europe. At the same time the secretary warned the Western Germans

against abusing the freedoms permitted them by the Western occupation powers.

Two Prime Reasons  
Why should the Western democracies be anxious to include in their new European parliament a Germany which has shined so greatly and so often against its neighbors? At first blush this seems a strange development, and yet it is logical. There are two prime reasons for this move. The first of course is not only that it is calculated to foster peace but economic prosperity. A healthful Germany is essential to the general well being of Western Europe.

The second, and perhaps the more important reason, is that Germany lies in the heart of Europe, on the line dividing the communistic East from the democratic West. She could be, in days to come, a mighty deterrent to an armed clash between Eastern and Western Europe. Should unhappily such a conflict arise, then most assuredly the Western powers would want Germany in their camp. If she were isolated and forced to play the lone wolf, she might drive her into the Bolshevik camp.

Churchill considers the matter so vital that he advocates the calling of a special session of the council's consultative assembly in December or January to admit Germany to membership. He holds that this would be the "greatest and most important of all the questions that are before us."

# MARTIN BACKS SOLDIER BONUS

Harrisburg, Aug. 18 (AP)—U. S. Sen. Edward Martin came out flat footedly today for a \$500,000,000 Pennsylvania veterans bonus in refuting Democratic claims he and other Republican leaders are opposed.

"I am 100 per cent behind the bonus and you can quote me on that," Lawrence Trainor, retiring department commander of the Pennsylvania American Legion quoted Martin as stating.

Trainor asked Martin on his stand after Philip Mathews, Democratic state chairman, noted Martin had passed over the bonus question in speaking to the Legion's convention in Pittsburgh and said this indicated the senator's opposition.

The Legion leader said Martin authorized him to issue the statement.

At the same time, Department Adjutant Edward A. Linsky said "erroneous information" on the cost of the bonus is being circulated by its opponents.

The voters in November will vote on a constitutional amendment to

permit the state to borrow up to \$500,000,000 to finance the bonus. The 1949 General Assembly left until the next legislature the question of long-term financing of the proposed bonds.

Linsky said data given the Legion by the state treasury indicated that "the per capita cost of the bonus in no case will exceed \$2.50 per year."

# TO LIFT MANY RENT CONTROLS

Washington, Aug. 18 (AP)—Housing authorities today stepped up plans to lift rent controls from one third of the areas across the nation which still have them.

Federal Housing Expediter T. H. E. Woods called in his top lieutenants and regional officials to discuss the situation.

Officials said a determined effort will be made to lift controls first in so-called "borderline" areas — those where sufficient rental housing exists or soon will be available.

There was no immediate indication which regions they had in mind, and officials said such information will not be ready for several days.

Woods earlier had predicted that no community of more than 100,000 population will be affected.

"The cuts will be country wide, not concentrated in any one particular section," he said yesterday in announcing plans for the action.

Controls will be raised under provisions of the present Federal Rent act which expires next July. It empowers the housing expediter to lift ceilings but to slap them on again if rent gouging occurs.

Since April, when the law became effective, Woods has abolished controls in 193 areas. Still under regulation are approximately 1,000 counties located in some 590 areas designated by the housing agency.

# WILHELM ON MURDER CASE

Harrisburg, Aug. 18 (AP)—Col. C. M. Wilhelm, state police commissioner, gave personal attention today to the unsolved slaying of a northeastern Pennsylvania gambling figure.

Wilhelm said he called two officers of the Wyoming state police barracks here yesterday to go over evidence available in the pistol shooting last July 26 of Fred Schild, Scranton gambler.

Schild was found slumped over the wheel of his car on a Wyoming street with a bullet in his head.

Wilhelm said he conferred with Major Charles McRae, commander of squadron three, and State Police Detective Art Jones "to discuss developments in the case."

Asked if Gov. James H. Duff also took part in the conference, Wilhelm replied, "you'll have to ask the governor about that."

When queried, Duff told a reporter that "I have no comment to make on the matter. Anything of that nature will have to come from state police."

Pittsburgh, Aug. 18 (AP)—Excavation work begins today on the foundation of the new 39-story Mellon-United States Steel office building in downtown Pittsburgh.

The work was delayed more than a month by a strike of Local 249, AFL-teamsters. That strike ended officially yesterday with ratification by union members of a contract with the Master Builders association.

officers said, the boy apparently ran about 100 yards before he collapsed.

Dr. Sonne has not yet issued a verdict. Thomas was one of ten children of Mr. and Mrs. Gusti Gariepy.

# Martha Beck and Lover Guilty Of First Degree Murder In Lonely Hearts Case

## DEATH PENALTY IS MANDATORY UNDER VERDICT

New York, Aug. 18 (AP)—Plump Martha Beck and her lover, Raymond Fernandez, were convicted of first degree murder today in the Lonely Hearts murder case. The verdict carries a mandatory death sentence.

Both defendants received the verdict stoically. Fernandez stood erect, his face displaying no emotion. Mrs. Beck rested her taut fingers on the defense counsel table.

The verdict was announced by a jury that had been kept in session all night on orders of the court. The court set Monday for sentencing and defense motions.

**Up All Night**  
Near dawn, the jurors, on duty since yesterday morning, asked permission to go to bed. However, the court said it would not be convenient to grant the request, and sent them back to their deliberations.

The verdict, at 7:30 a. m. (EST), came 12 hours and 34 minutes after the jury received the case last night.

Justice Pecora received a note from the jurors at 7:27 a. m., and court attaches had expected it to be another request for further instructions.

Fernandez appeared disturbed when the defendants were called to give their histories. However, he controlled himself and answered questions with clipped sentences. He said he was born in Hawaii of Spanish parents.

**Snapped Her Answers**  
"Are your temperate?" he was asked.

"What?" Fernandez asked.

"Do you drink?"

"Yes, I drink," the prisoner replied.

Mrs. Beck looked up over the judge's head and snapped her answers. She gave her name quickly as "Martha Jule Beck, Martha Jule Carmen, Martha Martin and Martha Fernandez."

She said she was born in Florida 29 years ago and was a registered nurse.

"Are you married?"

"Divorced," she replied.

**Waves To Family**  
Justice Pecora dismissed the jury with thanks. He told them they had performed "an arduous service, a highly responsible service, one that you have acquitted yourselves of with generous devotion."

As the convicted slayers walked out of the room, Fernandez forced a smile and waved toward his relatives.

The jury was reported to have

voted 11 to one for a verdict of murder in the first degree on the first ballot, taken shortly after it received the case. It was reported that the stumbling block was the issue of premeditation on the part of Fernandez.

**Pleaded Against Chair**  
Defense counsel had pleaded against a death chair verdict, but did not ask that the defendants be acquitted of the bludgeoning and strangulation of Mrs. Janet Fry, 66-year-old Albany, N. Y., widow.

Authorities charged the Fay slaying—and two others laid against the defendants in Michigan—grew out of a scheme to fleece lonely women through mail romances.

The state charges Mrs. Beck beat Mrs. Fry over the head with a hammer and that Fernandez then strangled the widow with a scarf—to end her demands for return of \$6,000 Fernandez had gotten from her.

## Customers Who Buy \$300 Suits Are Nuts, Says Sam

Denver, Aug. 18 (AP)—Ninety per cent of the customers who buy \$300 suits are nuts, Tailor Sam Weintraub says.

Sam proclaims he makes "the most fashionable clothes in the world." Men who telephone their orders from New York, Chicago, San Francisco and other cities give support to his claim.

Sam's cheapest suit sells for \$210 and some customers pay as much as \$700 for a vicuna (fine wool) overcoat. The reason for his success, Sam told an interviewer yesterday, is this: "You run into big money and the

first thing you want to do is be original. You don't want to be like everybody else anymore. So you don't just wear a store suit. You wear Weintraub. They're nuts!"

In detail, Sam explained: "I got a customer, a lawyer, must make a fair salary. He gets divorced and now he comes to me for three suits. He's got a stomach, no chest and he's chasing after a girl in Chicago. All he wants to do is cover this thing here (Sam points at his stomach). He's nuts."

Sam says he wants his patrons "to look a certain way. Most men are big

stomached, flat chested, disfigured. But we want our customers to look just so. We don't guarantee nothing—but style we give him."

If you're flat chested, big stomached or disfigured (and got 300 bucks) don't rush to the phone and expect Sam to take your order for a hand stitched suit.

You need enough dough for three others. That's the minimum order. "I lose money on just one suit—no matter how much I charge," Sam

said. "I love this business," Sam added appreciatively. "I'm crazy about it."

WIDOW BEATEN TO DEATH; SON SOUGHT BY COPS

Pittsburgh, Aug. 18 (P)—A 60-year-old widow was beaten to death last night with an iron bar police said was welded by her 28-year-old son.

Charles Johnson, chief Allegheny county detective, said the son, John Clancy, fled through a third story window and was the object of an intensive manhunt in the Pittsburgh area.

The victim was Mrs. Mary Clancy of suburban Ingram.

Johnson said she was battered down the third floor steps of her home by her son, a Navy veteran of four years service in the Pacific. A blood stained four-foot iron furnace poker was found on the steps.

The detective said the woman's grand niece, Helen J. Haggerty, of Erie, Pa., and Joseph Wolf of Andover, Pa., found Mrs. Clancy's body sprawled at the foot of the staircase.

Johnson said the grand niece gave him the following version:

She and Wolf were downstairs when John Clancy called his mother to his third floor bedroom. A short time later, Miss Haggerty and Wolf heard screams and rushed upstairs. Finding Mrs. Clancy's body at the foot of the staircase, they stopped to render any possible aid.

As they examined Mrs. Clancy's injuries, they heard a window opened on the third floor. Johnson said he found a window open over a porch roof.

The detective said he was told there had been a family quarrel between John and his mother. A description of the son was sent out over the police teletype.

New York, Aug. 18 (P)—Mrs. Cornelius Vanderbilt, Jr., does not have polio, as first suspected, Doctors hospital reported Monday night.

Tests ruled out polio, but her ailment had not yet been diagnosed, a hospital spokesman said.

The pretty, 28-year-old, fifth wife of the 50-year-old Vanderbilt was taken to the hospital Sunday night for observation as a possible polio victim.

Utah Tot Walks At Three Weeks

Murray, Utah, Aug. 18 (P)—She's quite a little tottler, the three-week-old daughter of Mr. and Mrs. La Verl Benson.

She's already walking. And she doesn't even have a name yet.

Born July 22, the young lady surprised her mother about a week ago. "I was giving her a bath and had turned her over on her stomach to wash her back," Mrs. Benson reports. "Resting against my left hand she raised herself on her feet and proceeded to take several steps in the bathtub."

Mrs. Benson says her doctor has cautioned her not to let the child walk too much. The doctor, who asked that his name not be used, said he had seen a baby "lift its knees and take four or five steps" while Mrs. Benson partially supported it.

The net proceeds of \$51,500 from the 1945 PGA golf championship at Dayton, O., were contributed to the local hospital and represented the largest single contribution of its kind from one event.

## BEGGS LAUDS VFW'S RECORD IN COMMUNITY

The Emmitsburg Veterans of Foreign Wars by their community service activities are setting an example to be followed by other VFW units throughout the U. S. the national commander-in-chief of the veterans' organization said Saturday.

Lyall T. Beggs, Wisconsin attorney who is head of the Veterans of Foreign Wars of the United States, commented on the service given by the Emmitsburg Memorial post 6558 during a visit there Saturday afternoon.

Beggs spoke at Gettysburg, urging the VFW to carry on the traditions and "good deeds" of the Grand Army of the Republic Saturday afternoon. Commander Wales Rightmire, of the Emmitsburg post, representing the post at the Gettysburg talk and reception for the national commander, invited Mr. and Mrs. Beggs and their two daughters to visit the Memorial post at Emmitsburg en route to Washington from Gettysburg.

The national commander consented and following a tour of the Gettysburg battlefield he and his family visited the Emmitsburg post. There a delegation of about 25 members met Beggs and his family.

Beggs was given a report on the various community activities sponsored by the post and inspected the community ambulance purchased by the Emmitsburg VFW.

He praised the post for its "outstanding record of service to the community" and noted that "such a record of community service should be an example to VFW posts throughout the nation."

Beggs' visit marked the first time a national commander has visited the Emmitsburg VFW since its establishment over three years ago.

Mrs. Henry Charlton, formerly of Baltimore, plans to teach the sixth grade.

Many improvements are being made for the opening of school. The old furnace has been torn out, and the basement is being partitioned off for storage rooms.

The VFW Memorial Post erected the merry-go-round on the school playground recently. It will accommodate 25 to 35 children and will be ready for use upon the opening of school. The VFW also donated the labor in the setting up of the merry-go-round.

## Things Of The Soil

### HARVESTING AND CURING HERBS

More and more housewives are discovering each year that herbs can be used to raise ordinary cooking into that rare and enviable realm known as "good" cooking. This fact is leading to emphasis on herbs as necessarily important crops in the well rounded vegetable garden. But of course, harvesting and curing practices may easily fall behind progress in techniques of production and use. Therefore, herb growers should seek practical information on these phases along with planting and care.

Late August brings herbs to a peak for harvest and storage, depending on whether they are to be stored in a green-cured condition or as ripened seed. Generalization is impossible here in setting forth rules for herb storage because many are consumed as green foliage or flowers dried; others, such as anise, are stored mainly in the form of ripe seed; still others are grown solely for their essential oils, such as members of the mint family. Here are some brief suggestions:

Anise—Fresh leaves may be used during the growing season but flower heads should be harvested and dried in sun or shade in order to separate the seed for storing.

Basil—Fresh leaves may be used or plants cut when fully developed and bundles dried thoroughly in a dark, dry room. Later the dry leaves and flowering tops are stripped off and stored in closed containers.

Coriander—Cut plants when seed turns brown but before it begins to shatter. Dry the plant before threshing seed to store in dry paper bags or closed glass jars in a cool, dry room.

Cumin—When umbels begin to turn brown in late fall, cut plants and spread them on a flat screen to dry. Later thresh out seed and store in paper bags or closed containers.

Dill—Leaves may be used for seasoning during the growing season but lose their flavor when dried. Therefore, only the seed is stored for winter use. Seed heads should be harvested and dried in a screen just before seed begins to turn brown.

Summer Savory—From 6 to 8 inches of the top should be cut when plants begin to bloom. These

## Dr. Frailey Buys Family Homestead

The Oscar D. Frailey homestead has been purchased by Dr. Carson P. and Rebecca Gray Frailey. Dr. Frailey was born in the old homestead, which was erected about 65 years ago.

It has been the scene of many social activities as well as religious and political events. Governors, senators, bishops and high ranking army officers have been among the guests entertained there. An unusual feature of the property is the old fence which was made in the Frailey Brothers Foundry. The pattern of the fence is unusual, and has given rise to many comments by visitors.

Dr. and Mrs. Frailey will use the property mainly as their summer home, although many week-end visits will be made through the spring, summer and fall.

Dr. Frailey's son, Carson Gray Frailey, now an attorney in Washington, began visiting the homestead when he was six months old. Dr. Frailey's grandson, Carson Gray Frailey, Jr., now five years old, and his granddaughter, Ann Spotswood Frailey, with their mother have been spending the summer in Emmitsburg.

are then dried on screen or paper in sun or light shade and later stored in closed containers. All pieces of the woody stems should be separated from the dry leaves before storing.

Caraway—This is another herb used in seed form. Cut the umbels when they turn brown and dry them carefully in sun or light shade before separating the seed. Store seed in closed glass jars or paper bags after cleaning out all chaff.

Parsley—Both leaves and roots may be stored for late winter use, although plants may be carried green far into the winter by protecting them in coldframes. Dry leaves before storing and keep the roots in burial mounds or a moist cellar.

Chives—Only the tender leaves, stalks and bulbs are used in their green or fresh state. However, housewives should experiment with growing this tasty herb in window pots from late fall until late spring. Too, it can be grown in a sunny cold-frame in winter.

Costmary—Leaves may be harvested at any stage of growth and used fresh or dried. They should be dried in darkness as rapidly as possible and then stored in closed containers. Most growers dry the entire plant before stripping off the leaves.

(Continued in tomorrow's issue.)

## Yesterday's Stars

Batting—Gerry Priddy, Browns—Collected two hits in each game and drove in six runs to lead the Browns to a double triumph over the Indians, 10-6 and 5-2. He batted in four runs in the opener with a triple and single, and two in the nightcap with a single and homer.

Pitching—Mickey Haefner, White Sox, pitched third Chicago shutout in a row, limiting the Tigers to seven hits for a 1-0 triumph.

Galileo constructed his first telescope in 1609.

## SIX WOMEN DIE IN FIRE AFTER DOUBLE CRASH

Hopkinsville, Ky., Aug. 18 (AP)—Six women died a flaming death early today when their automobile and a car of soldiers crashed into a transport truck between here and Camp Campbell.

George Womble of the Kentucky state police said two of the three soldiers in the other automobile were injured.

He identified the dead as: Mrs. Lucy Roper, superintendent of the Jennie Stewart Memorial hospital at Hopkinsville; Miss Maude Oatts, assistant at the hospital; Mrs. Roper's daughter, Ann Roper; Miss Mary Ann Pryer, nurse; Miss Trudor, a visitor of Ann Roper, and Miss Mary Jefford, a nurse.

Burst Into Flames  
Womble said the soldiers tried to pass the transport when their automobile rammed into the rear of Mrs. Roper's car and drove it into the side of the transport.

Mrs. Roper's car and the trailer truck, heavily laden with four new automobiles, burst into flames on impact and blazed into an inferno fed by spewing gas and oil.

It burned for more than an hour before firemen could bring the blaze under control.

Bodies of the six women were charred almost beyond recognition, Womble said.

Seek 3rd Soldier  
The truck driver, Otis W. Merri-man of Evansville, Ind., escaped injury, he added.  
Lt. Col. R. V. Bottomly, Provost Marshal at the camp, said he didn't

believe the injuries of the two soldiers were serious. He identified them as Pvt. Marcus Barraza, the driver, and Pvt. Gabriel Huerta. Both are being held under guard, he said.

Bottomly said the third paratrooper, Pvt. Felice Murreto, has not been seen since the accident and that a search is now under way for him.

## Down the Line with Johnny Bell

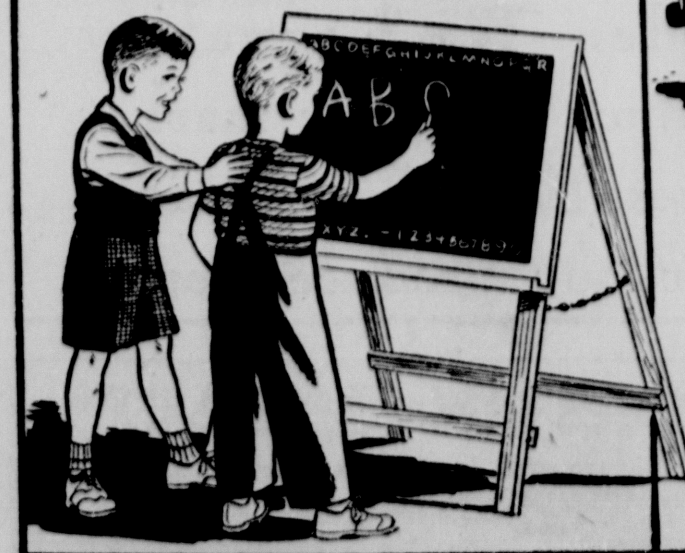

### He tracked a bear by telephone

Not long ago, a telephone subscriber at Virginia Beach decided he'd like to have a bear cub for a pet. When he heard of a man in North Carolina who had one, he put in a Long Distance call to "the East Lake vicinity"—not knowing the man's name or address. The man with the bear was soon located by the operator, despite the fact that he lived some distance from the nearest telephone. The call was unusual, but the resourcefulness shown by the operator is typical of the friendly "voice with a smile."

### These ABC's are important, too

If there are youngsters in your home, won't you remind them of these ABC's of good party-line telephone service?

- Allow some time between calls so that others have a chance to use the line;
- Be quick to give up the line when someone needs it for an emergency call;
- Consider "the other fellow" and he'll be quick to do the same for you.

### Find your best markets by Long Distance

When time and money count, count on Long Distance. Use this fast, economical service to keep abreast of price changes, to locate the best markets for your produce.

Today, nine out of ten Long Distance telephone calls go through while you hold the line. For some typical low rates, see the inside front cover of your telephone directory.

# CORN BORER TO MAKE SECOND DESCENT SOON

Harrisburg, Aug. 18 (AP)—The European corn borer, scourge of the corn patch, is ready to make its second descent of the year on Pennsylvania's fields and gardens.

And the state Agriculture Department says farmers and backyard gardeners are almost powerless to stop it.

Dr. Thomas L. Guyton, director of the Bureau of Plant Industry, said most moths of the second generation borer started flying this week and are laying eggs which will hatch next week. Millions of tiny borers will eat their way into corn stalks a few hours after they are hatched.

"Once inside the stalk or ear they are beyond any known method of control," Dr. Guyton added.

**DDT Holds Hope**

Only hope for reducing the up to \$2,000,000 annual damage the borers cause is placing a thin coating of DDT spray or dust on corn stalks just before the borers are hatched. Some farmers have been using airplanes to dust their fields.

Dr. Guyton added the hopeful note, too, that infestation appears to be lighter this year than last, especially in Chester and Lancaster counties. He just returned from a tour of southeastern counties.

He also advised that the chopping, burning or plowing under of all corn stalks or stubble before May 1 each year to control the pest. This destroys the borer that remains in the stalk over winter months, he said.

**Beat Hard On Eggs**

Pennsylvania hens haven't taken to the hot weather any more than you have.

The state Agriculture Department reported that July's production of eggs fell to 216,000,500—the lowest for the month since 1946. Hot weather was listed as the chief reason for the drop.

Contributing to the reduced supply—and the accompanying increase in price of eggs—was the early

movement of pullets into laying flocks, the department said.

July production compares with 236,000,000 for July, 1948, and 241,000,000 for June of this year. Egg prices increased 2.8 cents a dozen from June 15 to July 15 this year but were 2.9 cents below July of last year.

**New County Agents**

Seven members of the June graduating class of the Pennsylvania State college have been named county agents.

J. M. Fry, state director of the college's agricultural extension service, listed the appointees and the county to which they have been assigned as: Charles E. Forney, East Petersburg, Lancaster county, to York county; John E. Melchor, Easton, R. D., to Warren and McKean counties; Francis C. Turner, Centerville, Crawford county, to Tioga county; William H. White, Glenside, Montgomery county, to Lackawanna and Wyoming counties; Amos S. Zimmerman, Jr., Womelsdorf, Berks county, to Cambria county; Clarence E. Craver, Cherry Tree, Indiana county, to Lancaster county; Harold E. Stewart, of Highrock, York county, to Carbon and Monroe counties.

All technically trained in agriculture, they will assist in taking information, based upon research,

# FAMILY PICKETS HOTEL STATLER

New York, Aug. 18 (AP)—Henry Hickey, Mrs. Hickey and nine small Hickeys plan to picket the Hotel Statler again today to try to get back Hickey's job as doorman.

They started their protest yesterday. Hundreds stopped to stare at the 11-member family picket line in busy midtown Manhattan.

Mrs. Hickey pushed the youngest child, Robert, 14 months, in a baby carriage. The other children were Sandy, 2; John, 3; Margie, 5; Betty, 6; Henry, 8; Patrick, 9; Frankie, 11; and Dickie, 14.

They carried signs reading: "What did my daddy do?" "My daddy never did anything wrong."

"Statler, please give my daddy his job back."

James H. McCabe, general manager of the Statler, formerly the Pennsylvania hotel, said Hickey was fired because of ill-temper and because he gave the wrong travelling

on new and improved farm practices to farmers of their respective counties.

# Private Rites For Margaret Mitchell

Atlanta, Aug. 18 (AP)—Private funeral services were arranged for Margaret Mitchell, and a loudspeaker system was set up so the public could hear last rites today for the famed author.

The 43-year-old novelist who penned "Gone With the Wind" died Tuesday of injuries received when she was struck down by a speeding automobile.

She will be buried in Oakland cemetery, where stands a monument to the south's unknown Civil war dead—the Men in Gray whose story Miss Mitchell told in her Pulitzer prize winning novel. Hundreds of the soldiers of the Confederacy are buried in Oakland.

Hickey carried a sign saying he was "fired without cause."

# CUBAN SWIMMER TURNS BACK IN CHANNEL TRY

Calais, France, Aug. 18 (AP)—Jose Cortinas abandoned his attempt to swim the English channel today and returned to Calais after covering half the distance to Dover in six hours.

The 32-year-old Cuban left Calais at 12:45 a. m. this morning (6:45 p. m. EST, Wednesday).

Earlier, it had been reported from Dover, on the English side of the channel, that fresh, northeasterly winds had stirred up choppy seas in that area.

**Shirley May Postpones**

Dover headquarters for Shirley May France, 17-year-old Somerset, Mass., high school girl, announced that in view of the roughening waters she would not attempt her channel swim this afternoon.

If later forecasts are favorable, she may begin her swim at midnight, her advisors said.

Cortinas was beaten by the bit-

ter acid and adverse winds that rolled heavy waves directly into his face.

**"He Was Magnificent"**

When the boat that accompanied him returned to Calais, Cortinas was lying on the deck asleep, covered with blankets. His petite wife, Elda, stood over him.

"He was magnificent," one crew member exclaimed.

Emile Ranson, official timer who made the trip in the boat, said:

"Cortinas is a superb swimmer. I am sure he would have beaten the record if conditions had been any good at all. It was too cold, that is what beat him."

# SEEK ANSWER TO HOW TO USE OLD FOLK IN AMERICA

By JAMES MARLOW

Washington, Aug. 18 (AP)—I covered a police beat on a newspaper for a great many years and I used to be amazed at what happened to a lot of old cops when they retired.

They didn't live long. A lot of them were too old to work the streets, and soft spots had been picked out for them in precinct stations or the detectives' office or at police headquarters.

Late at night I used to sit around chewing the fat with them. They had wonderful stories to tell, chattering the way the old men on the walls of Troy must have chattered, reliving their lives a hundred times.

## Then They'd Retire

There was something wonderful about them. It was this: They were alive, sitting on a chair, talking, answering a telephone, directing a team of detectives on a robbery, taking down notes from the cops who called in.

Death seemed so far away from each of them that I used to wonder about each in turn: he'd ever die?

Then one day he'd retire. There'd be a little party, a couple of awkward speeches. The old men's eyes would gladden and then they'd be gone.

I wouldn't see them again. They had said they'd drop around to say hello. But they never came. And then one day I'd hear they were

**GETS NEW POST**—Rear Admiral Felix L. Johnson (above), of Leonardtown, Md., former director of naval public information, will be new director of naval intelligence, succeeding Rear Admiral Thomas B. Inglis, Houghton Lake, Mich.

dead, maybe only a month or six months after they'd quit.

## Not Sure What Happened

I never could be quite sure about what had happened.

Had they finally decided to retire because they felt something inside

them begin to weaken and slide down hill.

Or, was it the sudden change in their life-long routine of going to work every day, getting up at the same hour, going to bed at the same hour, that broke them physically?

Or, was it just the let-down that sapped their life away fast? I mean, was it the sudden inactivity, the feeling that now truly at last they were not needed for anything?

## Might Have Lived

I used to think that, if, when they retired, they had found something that really kept them busy they might have lived for years.

You must have understood what a really old and retired man feels if you've ever been really sick and spent weeks in a chair by a window, trying to get well.

You'll feel weak and out of the race. Still, if you're young, you know that in a couple of weeks you'll be

back in that crazy scramble outside your window. So you can endure the few weeks easily.

## Looking For Answers

But a retired old man can't feel anything, I guess except that for him the race is really over at last, and that must do something that's not good.

Maybe something the Loyal Order of Moose is trying to do will find an answer to some of these things. It's setting up a laboratory at Moosehaven Park, Fla.

A professor of psychology has been hired. He'll have a staff. They'll try to find answers to the problem of how to use elderly people in American life.

In order to distract their pursuers, some species of lizard detach their tails when in danger.

## NO COOPERATION FROM DOGS, SAYS IRKED SCRIBE

By ED CREAGH

New York, Aug. 18 (AP)—These may be dog days but the dogs are dogging it.

There hasn't been a grade A, all-dolled-up-with-pictures dog story in the papers since Hector was a pup. And this (you should pardon the expression) is a doggone shame.

When I was breaking into the newspaper business, shortly after the Battle of Chickamauga, a wise if watery-eyed old city editor told me:

"Bub, if you want people to read what you write, remember this:

"One weather story equals two society divorces, and one good dog story will beat any weather story that ever came down the pike."

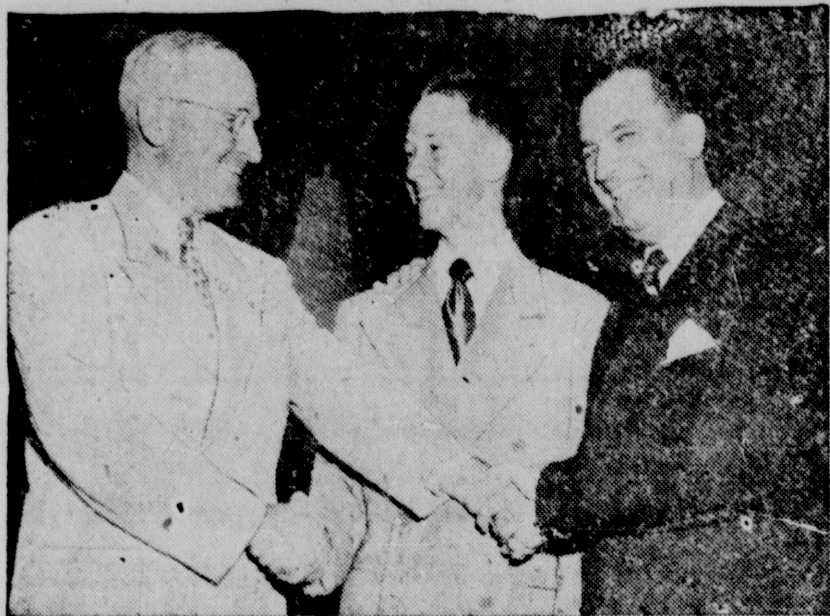

### Dogs Don't Cooperate

This worthy man later died of a pickled liver, but his advice still seems sound to me.

The only trouble is, the dogs aren't cooperating.

Cats get into the news. So do elephants and monkeys. Even fish are splashing their way into the

headlines, to say nothing of some publicity-hungry birds that have been loitering hopefully around newspapermen's hangouts.

But dogs?

Except for Popo, the wire-haired terrier, they've turned as camera-shy as a movie blonde with two

black eyes.

You remember Popo. He showed up only last Sunday, swimming bravely in the general direction of Ireland. He was nine miles off the Maine coast when a tuna fishing boat hauled him aboard, pretty well pooped.

Popo's story was that he had fallen off a yacht, but nobody believed him. Obviously, he was out for glory as a trans-Atlantic swimmer. And it was good to know that one pup, in these decadent days, still had some gut-up-and-go.

Cats, now—they're performing all over the place.

First there was that mouser aboard the British warship Amethyst. He got a real, honest-to-George military decoration for holding the rats at bay while the Amethyst was bottled up by the Chinese Reds.

Kiki and Grady and Bimbo

Then there was Kiki. He went the Amethyst cat one better by getting bottled up himself. Came in on the liner Atlantic reeking of strong drink, walking with unsteady dignity, hiccupping as he purred.

Well, of course, there was Grady, the cow that got caught in the silo. And Bimbo, the midget elephant that died of pneumonia, poor little guy. And Booger, the Rhode Island Red that hangs around the Hialeah bar in Miami, mooching cigarettes. And there was that fish at Hyda-

## Husbands Scold if Wives Look Old

Try looking younger this very day—whether your husband scolds or whether you just want to please him. Thousands of wives thrilled, "youthified" by Cutlets. If you, too, look haggard, drawn, worn-out, tired, need by tired, rundown condition due solely to blood low in iron, try Cutlets Tonic Tablets today. See how new and prettier you look. Cutlets don't make your husband proud to "show you off." Costs little. New introductory size now only one.

At all drug stores everywhere—in Gettysburg, at Rea and Derick.

## CUPLETS<sup>®</sup> CUP CAKE MIX SUCH QUALITY!

Here's quality that no other cup cake mix has been able to equal. Cuplets makes 12 to 18 light and tender cup cakes or one nine inch layer. Precision-mixed for sure results. Just add an egg and milk.

## "CAPTAIN OF THE MEN OF DEATH"

★ Pneumonia is a disease which strikes swiftly and proceeds quickly and dramatically to a crisis. Until recent years little could be done to help the patient. The brief decisive struggle between the infection and the patient earned for pneumonia the dreadful title, "Captain of the men of death."

In the parlance of the army, the captain has been "busted." First came antipneumococcal serum, which removed one bar. Later, powerful sulfa drugs teamed up with serum to completely break the captain. Both of these powerful weapons are kept in readiness in our prescription department, waiting only for the physician's order.
